

# Our Objectives

Established in 1988 as a conference of the Canadian Bar Association, the CCCA is now more than 8,700 members strong and growing rapidly. Our membership consists of corporate counsel employed in virtually every industry in Canada, encompassing public and private businesses, non-profit organizations, municipalities and crown corporations. The CCCA also welcomes associate members from law firms whose support and expertise enrich our educational programs and events.

## **The Association of Choice**

The CCCA facilitates involvement in its activities and access to its benefits by all levels of in-house counsel across Canada by publicizing, promoting and expanding membership benefits, leveraging technology to member advantage, developing CBA linkages and maximizing national presence.
